

Directions to Pawnee Grasslands Towing Site

From Boulder...take Hwy 52 east (the one across from IBM north of Boulder) to I 25 north. Follow the directions below from Denver to the site from this point.

From Denver...take I-25 north to Ault exit (one of the first exits for Ft. Collins). Take a right at the end of the exit ramp onto Highway 14. You will be on this road heading east for approximately 45 minutes. You'll pass the town of Ault, cross railroad tracks, enter the Pawnee Grasslands, etc. Just as you approach Briggsdale, you'll make a left onto Hwy 77 (where it points left to the Crow Creek Recreation Area/Camping ground) just on the western edge of Briggsdale. Go north on this road for approximately 10 miles until you reach Road 110 on the left. Make a left here. Approximately 2 miles west of this intersection where 110 doglegs left, go straight. The road becomes a more rustic gravel/dirt road. Two more miles west from this point we usually set up base camp where the road doglegs right next to an abandoned farm. I'll have my cell phone if you need help. Or try 158.4 on your 2-meter radio if you have one and can't reach us by cell phone.
